

GOODSTOCK
consulting, llc

leadership. ingenuity. loyalty.

ABOUT GOODSTOCK CONSULTING

**WE EMPOWER LEADERS TO SEE THE
VALUE IN THEIR SERVICES AND
POTENTIAL IN THEIR TEAMS.**

**WE ENGAGE UNDERSERVED
COMMUNITIES TO DRIVE AND
SUSTAIN CHANGE.**

**WE TEACH AND
STRENGTHEN ORGANIZATIONAL
CAPACITY.**

**WE CULTIVATE TRUST BETWEEN
ORGANIZATIONS AND THE
VULNERABLE COMMUNITIES THEY
SERVE.**

WE BUILD GOOD STOCK.

GOODSTOCK Consulting is committed to partnering with hospitals, businesses, non-profit organizations and social service agencies that are interested in producing measurable, strategic goals and equitable long-term impacts within marginalized populations.

Our team uses transformational engagement strategies and evidence-based skills to discover and support the inherent strengths of the clients and populations we serve.

Our firm is grounded in the following guiding principles:

- *Leadership: masters at guiding and equipping a group to attain transformational goals*
- *Ingenuity: innovative in how we assess institutional and community strengths and undertake opportunities*
- *Loyalty: steadfast in our commitment to our partners and the communities we serve*

OUR COMMITMENT TO STRATEGY & SOCIAL INQUIRY

The GOODSTOCK team has extensive experience in organizational development and leadership, coalition building, and community health and engagement. The company is co-owned and managed by Ebony Hilton Buchholz, MD, Kellye McKenzie, MPA and Kimberly Butler Willis, MPH, CHES, CDP. The partners bring over 35 years of healthcare and leadership experience to the expanding and complex conversation of healthcare, health equity, and social justice.

We use those experiences and skills to tailor a process to achieve maximum outcomes in the least amount of time possible. Consider your current organizational readiness for change, and let's re-write the future!

CREATION

Your organization is in a great position to build new initiatives.

IMPLEMENTATION

Your organization has a lot of ideas, but could use organization.

EVALUATION

Your organization has implemented a product, yet feel uneasy about its results.

INTEGRATION

Your organization has successful initiatives, and now ready to ensure sustainability.

INNOVATION

Your organization has built sustainable initiatives. Use this time to dream even bigger, and outside of the box.
